DESIGN PROCESS PHASE 1

1 QUESTIONNAIRE

After you have made contact with us, we will ask you to head to our contact page and fill out a questionnaire form. This only takes a few minutes to fill out, but it provides us with a lot of valuable information about your needs.

The screenshot shows the Hayes + Nash Design CO. Client Intake Form. At the top is the company logo, which consists of the text "HAYES + NASH" in a large, blue, sans-serif font, with "design co." in a smaller, lowercase, blue, sans-serif font below it. A stylized starburst graphic is behind the text. Below the logo is the title "Hayes + Nash Design CO. Client Intake Form". Underneath the title is a short paragraph: "We appreciate you taking the time to answer some questions. We use this information to learn more about you and your project. The information you provide is not only private, but helps us better serve your design needs. Thank you and we look forward to discussing your project further with you!". Below this paragraph is the name "Brittany Hanlon" and her title "Principal Designer, Allied ASID". There is a section for "Email address*" with a "Valid email address" label and a text input field. At the bottom, there is a note: "This form is collecting email addresses. [Change settings](#)".

The screenshot shows a scheduling interface for a "30 Minute Meeting" with "BRITTANY HANLON". The meeting duration is "30 min". On the right, there is a "Select a Date & Time" calendar for "June 2020". The calendar shows days from Sunday to Saturday. The dates 11, 12, 15, 16, 17, 18, 19, 22, 23, 24, 25, 26, 29, and 30 are highlighted in blue. A "powered by Calendly" logo is in the top right corner of the calendar. At the bottom, there is a time zone selector: "Eastern Time - US & Canada (3:25pm)".
